Care Management

Care management is a mandatory service that includes on-going care assessment, planning and coordination. This ensures the services you receive meet the needs and goals identified in your Care Plan. Every Home Care Package, including those being self-managed will require some level of care management.

St Anna's approach to Care Management encompasses;

- regularly assessing the person's needs, goals and preferences
- review their home care agreement and care plan
- ensuring their care and services align with other supports
- partnering with the person and their families or carers about their care
- ensuring their care and services are culturally safe
- identifying and addressing risks to their safety, health and well-being.
