

Provider Information about Service Delivery and Pricing

Clinical Supports

Specialised services to maintain or regain functional and/or cognitive capabilities. Services must be delivered directly, or be supervised, by university qualified or accredited health professionals trained in the use of evidence-based prevention, diagnosis, treatment and management practices to deliver safe and quality care to older people

Nursing care, Allied health and other therapeutic services provided by St Anna's own staff

Care Management includes activities that ensure aged care services contribute to the overall wellbeing of an older person (e.g., care planning; service coordination; monitoring, review and evaluation; advocacy; and support and education).
